July 2017 Newsletter

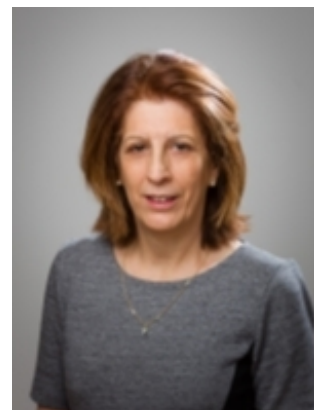

Dear Pratt School of Information Community,

I am writing to express how honored I am to serve as your Interim Dean this academic year. I plan to send regular newsletters to keep you up to date on everything happening at SI, as well as opportunities to get involved, so please stay tuned!

First, I would like you to introduce you to the school's academic leadership team—our degree program coordinators—some of whom are new, and some continuing on:

MS Library and Information Science

Dr. Debbie Rabina has been teaching at Pratt since 2005, and teaches courses such as Information and Human Rights, Information Services and Sources, and Information Policy. As LIS program coordinator, she is currently leading the MSLIS core curriculum review/revision process.

MS Museums and Digital Culture

Dr. Professor Cristina Pattuelli has taught several popular courses in the MDC area, including Art Documentation and Linked Open Data for LAMs. She will be working with Prof. Sara Devine and our newest full-time professor Dr. Elena Villaespesa on making the MDC program the best of its kind in the country!

MS Library Media Specialist (with MSLIS)

Dr. Jessica Hochman will work with current LMS students to achieve the objectives of the program while we continue to study how to best serve the school library community.

MS Data Analytics and Visualization

Dr. Chris Alen Sula will continue coordinating the MS DAV program. Prof. Sula teaches several courses in the area, including Information Visualization and Digital Humanities I/II.

MS Information Experience Design

Dr. Craig MacDonald will continue coordinating the IxD program. He teaches related courses including Information Architecture & Interaction Design and Usability Theory & Practice.

I will be hosting a student/alumni happy hour at the Society of American Archivists annual meeting on Friday July 28 at 7pm in Portland - more details will be forthcoming over this listserv. Other upcoming events include new student orientation on August 24 at 2:15pm, and first day of classes on August 28!

Ever have a question about anything at SI, or have something you would like to share with us (news, accomplishment, feedback, etc.)? Please don't hesitate to contact us at si@pratt.edu or 212.647.7682.

All the best,

Anthony Cocciolo, Ed.D.
